TRĂIM SE BAZEAZĂ PE RESPECT!

Răspunde celuilalt politicos,
Este un lucru frumos!
Să fii fericit, muncitor şi smerit,
Pe toţi să-i respecţi negreşit!
Elevi silitori voi să fiţi!
Curajul să vi-l dovediţi!
Toţi de rău să vă păziţi!

Un parc, o moștenire... Nicolae Romanescu, despre darul Craiovei

5HSRUWHU*Dmnule Romanescu, vă mulțumesc că ați acceptat invitația noastră. Craiovenii vă sunt profund recunoscători pentru darul pe care l-ați făcut orașului, parcul care vă poartă numele. Ce v-a motivat să donați un teren atât de vast pentru amenajarea unui spațiu verde?*

1LFRODH 5RPDQHVFX: *Cu plăcere, domnule. Întotdeauna am simțit o legătură specială cu Craiova. Orașul acesta mi-a oferit atât de multe, și am dorit să dau și eu ceva înapoi. Mi-am dorit ca oamenii să aibă un loc unde să se relaxeze, să se bucure de natură și să se întâlnească. Un parc este un dar pentru toate generațiile.*

5 H S R . U W H H U : *Proiectul parcului a fost unul ambițios pentru acea vreme. Ce v-a inspirat să creați un parc atât de complex, cu elemente arhitecturale unice?*

1 L F R O D H 5 R P D Q H V F X : *Am călătorit mult prin Europa și am admirat parcurile din marile orașe. Mi-am dorit ca Craiova să aibă și ea un parc care să rivalizeze cu cele mai frumoase din lume. Am colaborat cu cei mai buni arhitecți și peisagiști ai vremii pentru a crea un spațiu unic, care să reflecte atât frumusețea naturii, cât și eleganța urbană*

5 H S R U W H U : *Mulți craioveni își amintesc cu drag de copilăria petrecută în Parcul Romanesco. Ce amintiri aveți dumneavoastră legate de acest parc?*

1 L F R O D H 5 R P D Q H V F X : *Îmi amintesc cu plăcere de zilele în care veneam să mă plimb prin parc, să admir florile și să observ oamenii. Îmi plăcea să stau pe o bancă și să citesc o carte bună. Îmi doream ca și alți oameni să se bucure de aceste momente de liniște și relaxare.*

5 H S R U W H U : *Ce mesaj ați avea pentru tinerii de astăzi?*

1 L F R O D H 5 R P D Q H V F X : *Pe scurt, aș spune să aprecieze ceea ce au și să contribuie la îmbunătățirea comunității în care trăiesc. Fiecare dintre noi poate face o diferență, fie că este vorba despre un gest mic sau despre un proiect mai amplu. Important este să avem inițiativă și să ne pasioneze ceea ce facem.*
